

CAC Exhibition Schedule for FY 2009

CAC schedules between eight to ten exhibit per year, which include a balance between local and out-of-town artists.

June 24th – July 24th

Curator: Brian Alvarez

Installation: Beneath the Neon: The Exhibition

Installation, based on the book of the same title by Matthew O'Brien, exploring another side of Vegas few have ever seen.

July 30th – September 5th

Curator: Beate Kirmse

Painting: Painting Physical Presence

The painting of Eric Gecas and Ayako Ono, seen together, will demonstrate very different manifestations of 'physical presence', reflecting two very different approaches to physicality through painting.

September 12th – October 18th

Curator and Artist: Catherine Borg

Video Installation: Untitled

October 24th – November 28th

Curator: Markus Tracy

Theme Show: Politically Correct (working title)

Group show from call for proposals: We ask to pick one political poster from present or past, reconstruct and rearrange and transform it into a work of art. (No paintings, all sculptural, which will require custom installation of shelves and pedestals for possible fragile works of art)

December 4th – January 3rd 2009

Curator: Michael Costello | **Coordinator:** Mark Diederichsen

Artists: Michael Costello, Mitchell Shields Marti, Jennifer Lynch, Willis F. Lee, N.Dash, Alexandra Hess

Imprinting: Pressing the Limits - experimental monotype imprints

The emphasis of the theme will be on experimental monotype "imprinting" rather than "printmaking". "Imprinting" is more expansive, and opens the door to photographic work.

January 13th 2009 – February 14th 2009

Curator: Diane Bush

Painting, Video, Sculpture and Installation exploring Ecology

March 3rd – April 18th

Juror: tbd

20th Annual Juried Show

April 21st - May 23rd

Curator: Beate Kirmse

Partner Exhibit with the City of Las Vegas: Stop and Glow

In connection with the launch the new ACE transit train stations to be located within the City and the County. The show will entail the art, architecture, and neon history.

June 2nd - July 4th

Curator: tbd

Installation by Dave Sanchez & Partner (tbd)
